REMARKS

On January 31, 2016, at approximately 0200 hours, I conducted a motor vehicle stop on a dark colored minivan, bearing CT Reg 5APWF1, that was drifting across two lanes on Washington St. by Main St.

I identified the operator as Kataira Fontanez (37) by her valid operator's license. I could immediately detect a strong odor of an alcoholic beverage emanating from the inner compartment and directly off Fontanez's breath. Her eyes were glossy and bloodshot and she was having difficulty responding to basic questions.

Fontanez said she left a nightclub in Meriden and was going home to New Britain, CT. I asked Fontanez if she had consumed any alcoholic beverages prior to operation her vehicle, she said she had four drinks.

I conducted two pre-exit tests on Fontanez, both of which she failed. I conducted a series of Standardized Field Sobriety Tests (SFST's) on Fontanez, all three of which she failed. Kataira Fontanez was

consequently placed under arrest. Fontanez was laughing during the tests and had to be reminded multiple times to take them seriously.

Fontanez's first breath test, taken on the Draeger Alcotest 9510, which I'm certified on, was given at 0255 hours with a result of .1831. The second breath test, given at 0317 hours had a result of .1871.

Fontanez was later overheard on the telephone saying she was "feeling good" and "drunk" but was not "fucked up."

Fontanez was issued a Misdemeanor Summons (MC 330232) in violation of 14-227a. Operating a Motor Vehicle Under the Influence of Alcohol/Drugs and 14-236, Failure to Drive in Proper Lane for the initial motor vehicle violation. Fontanez was given a court date of February 11, 2016 for 0900 hours at GA9, located at 1 Court St., Middletown, CT.

REMARKS

On 02/01/2016 at approximately 1543 hours I, Officer Kraeger was traveling South bound on Route (9) from a private duty road job in my personally owned vehicle in the left hand travel lane just prior to exit 16 in Middletown.

I observed a dump truck to my right traveling in the right hand travel lane going South bound with approximately 1 car length ahead of me. I then observed a vehicle in my rear view mirror traveling south bound in the right hand travel lane at a extreme high rate of speed. The vehicle passed me on the right changing lanes directly in front of me at which time I had to break hard to avoid being struck by the vehicle which caused me to almost impact the guard rail to my left. The vehicle then continued weaving in and out of traffic at a high rate of speed and slowed for the red light at Route (9) South and Hartford Avenue. The vehicle was bearing CT marker plate 632-GUX.

The vehicle then made a right turn from Route (9) onto Hartford Avenue traveling West bound. I continued to follow the vehicle at which time the vehicle then passed several vehicles on left crossing the double yellow line towards oncoming traffic. The vehicle then made a right turn onto Main Street traveling South and a quick left turn into a parking stall in front of Los Primos Market located at 656 Main Street. I exited my vehicle and approached the operator who would be identified as Ralph Thrall. It should be noted that I was

in full uniform and identified myself as a Middletown Police Officer and radioed my location to central dispatch informing them I was conducting a motor vehicle stop.

I stated to Thrall that he cut me off, almost causing me to strike the guardrail and that he was driving recklessly almost causing further accidents. Thrall stated multiple times that he was sorry and that he should not of been driving that fast. Officer Gagne arrived on scene as my backup officer.

Thrall was issued a MSC in the field #MC380277 for Reckless Driving 14-222 and given a court date of 02/12/2016 at GA-09.

Nothing further.
